

The Student Resource Scheme (SRS) is a financial contribution from parents/guardians that ensures all students can access the resources required to achieve high-quality learning outcomes and personal success.

This is your opportunity to support the College in providing students with access to cutting-edge technology, a range of textbooks and resources beyond the standard issue.

The SRS enables our College to provide:

- Class sets of textbooks and e-books in all curriculum areas.
- Industry-standard computer software including Adobe Creative Cloud, Microsoft Office, Autocad, Sibelius, Efofex Science and Maths packs.
- Access to desktop and laptop computers during College hours and a range of audiovisual equipment.
- A cutting-edge Science, Technology, Engineering and Mathematics (STEM) Centre.
- A Resource Centre including two computer lab classrooms, one computer study room and one laptop trolley.

Benefits of the SRS:

- Students have access to a broader range of resources and text.
- Textbooks and resources can be pre-ordered by the College and made available to students at the start of the year.
- The convenience of being provided with the prescribed textbooks for each subject studied.
