## Student Details

  - to determine whether all school-aged children are enrolled in an educational facility as required by the NT *Education Act*;
  - any requirements under relevant laws of either the Northern Territory or Australian Government; and
  - students' names and demographic information may be verified against health records.

## Student and Parent Background Information

- Some of this information is a standard requirement on all enrolment forms Australia wide as part of the National Education Agreement. The information you provide will assist school education authorities in ensuring funding and teaching resources are appropriately allocated to Territory schools. Some of this information will be forwarded to the Australian Government as required under the appropriate legislation.

## Additional Emergency Contacts

- This is required in the event that the school is unable to contact parents/guardians. Please ensure that the people named have agreed to their details being provided to the school.

## Special Family Circumstances

- Additional information about parents/guardians. This is needed so that we are aware of family arrangements e.g. foster care, dual custody, access restrictions. Please provide any relevant Court Orders including access restrictions and parenting plans, and inform the school as soon as possible about any changes to your family arrangements.
- Contact your school principal if you would like to discuss, in strict confidence, any matters relating to these arrangements.

The school may need to disclose personal and sensitive information to medical practitioners, and people providing services to the school, including specialist visiting teachers and counsellors.
- We require details of student medical conditions and/or disabilities, and medication they may need while at school. If possible, please provide medication to the school in an authorised pharmacy packet.
- Please inform the school if your child develops a medical condition that may require regular or emergency treatment by school staff.
- Medical information will be shared with school staff on a "need to know" basis. Relevant sections of your child's medical records may be held at the school in suitable locations to ensure that appropriate action is taken in emergencies.

Please contact the school if you require further information or clarification regarding the DoE Medications Policy.
